

Soul Brothers (Book)

"The authentic foundation of all true religion is the rediscovery of the defaced image of God inside of the human person, inside of *this* world, in what will always feel like the naked and empty *now*. This is the ladder to heaven, and it is everywhere. --- excerpt from *Soul Brothers*

Soul Brothers presents scriptural reflections on twelve men of the Bible: Abraham; Moses; David; Isaiah; John the Baptist; Peter; Paul; Timothy; John the Evangelist; Elijah; Joseph; Jesus.

Louis Glanzman, one of America's most acclaimed portraitists, enriches this book with a stunning portrait of each of the 12 Biblical men. 125 pages.

"A splendid book for men! It will haunt and engage you." -- Walter Brueggemann, author

"Women: give this book to someone you love, but read it for yourself too. It is filled with wonderful insights on what it means to be human." -- Paula D'Arcy, author of *Gift of the Red Bird*

"Richard Rohr, a great writer, gives depth to Biblical figures usually presented as one-dimensional. Let this fine book be the start of a new way of understanding the entire spiritual realm!" -- Thomas Moore, author of *Care of the Soul*
