Southeast Newsletter...

February 1, 2012

Dear Brothers and Sisters:

I pray each had a beautiful and blessed Advent and Christmas season. Time flies by so very quickly.

Our 2011 International Conference was beautiful and the team did a fantastic job in every area of the conference.

I am including some photo's of our angels who worked all year for us at the office, as well as some photo's from the International Conference.

The following are changes being made within ACT and our Region as follows:

- Regions are going to be in Districts, eliminating numbers, as this was confusing to some members. Region 17 is now the Southeast District. A map will be provided at a later date.
- We will now have a District Resource Coordinator (DRC) who will provide resources only. The DRC will assist the smaller Regions with suggestions and activities, other Regions are already involved.
- Online referrals to be known as ACT Professional List is being set up.
- Act now has a Memoriam section set up on line.
- On line training will be available for new RC's. The Coordinators' book will be online and is not the same as the tool box.

We will include additional data in our next letter.

The Southeast District, Region 17 needs new officers. Before accepting the position of RC, the person must have been active in the Region for 3 years. Region 17 has been working with only 3 (sometimes 4) persons, and the work goes far beyond just the Annual Retreat. You will be hearing from Rosemary Hayward or Beverly Wicks about accepting an office. Office seats are RC, Secretary, Treasurer, and it would be nice to have a Vice Chair as well.

Please remember our annual retreat with Father Bob Sears. The announcement and registration form are enclosed.

At our 2011 Retreat, we celebrated Barbara Ryan's birthday. Several weeks later we celebrated her life at her funeral Mass. As one of our members stated at that Mass, Barbara always brings us together. It has been difficult for many of us and other Regions have also suffered loss of members. But, what a group we have in heaven praying for us.

We have several SEW groups that have held a Morning of Reflection, answering many requests concerning ACT and needs of others.

Each of us... please try and bring in a new member. Thank you for your time and please pray for ACT.

Love and Prayers,
Ann Marie Porta
